Not enjoyment, and not sorrow,
Is our destined end or way;
But to act, that each to-morrow
Brings us farther than to-day.

Into The 70's

CLASS OF '70

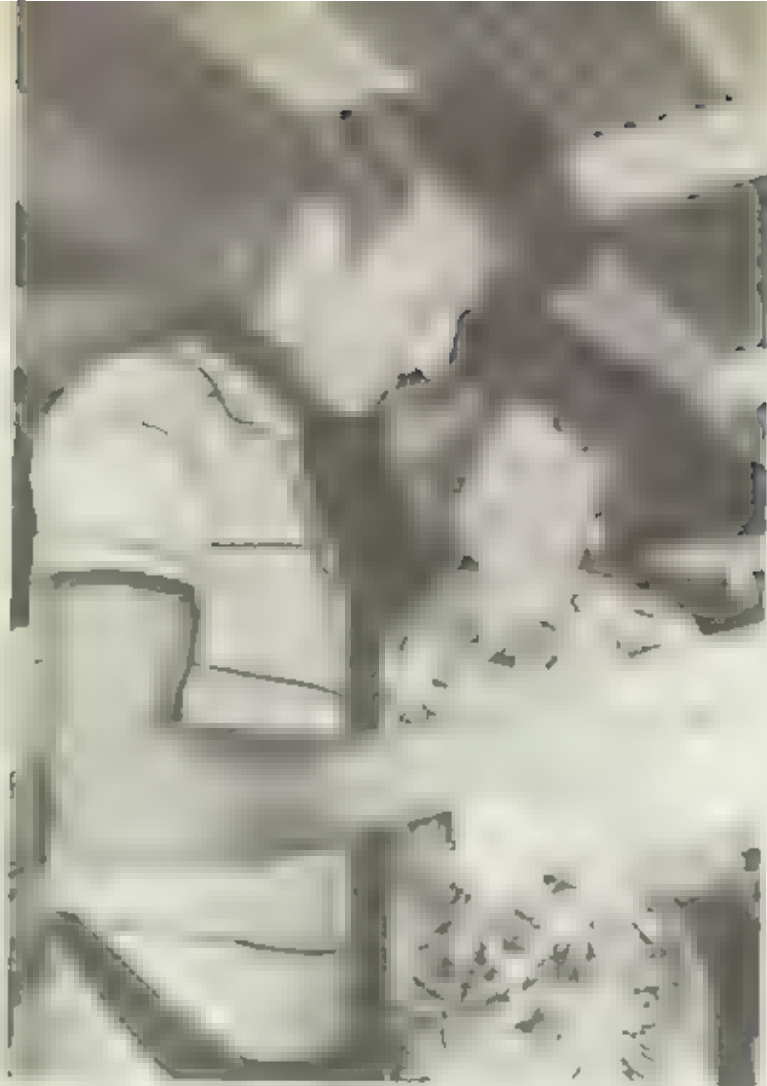

The Seniors were busy this year. The float, "You Can Bet on the Trojans", which they entered in the Homecoming parade, received first prize.

Active participants in the field of Band and Vocal, Speech and Drama, all sports, and others were found among the 183 graduates. Many of them also received high scholastic honors with twenty members in National Honor Society and Dave Dostal being a finalist in the National Merit Scholarship Program.

In the picture to the right are the officers chosen by the Class of '70: Karen Willer, Secretary-Treasurer; Rick Cooper, President; and Paula Henderson, Vice-President.

Many pleasant memories of the days spent at South Tama will go with these Seniors as they face the future ahead.

Fritz had a happy surprise when a party was held in his honor, at the Myrle Schafer home, just a day before his departure for Germany. This was Yolanda's first day in Iowa.

HOLA, YOLANDA...AUF WIEDERSEHEN, FRITZ

Fritz is living with the George Inglehart family of Bohmlte, Germany. A town of about 2,500 people. He travels by bus or train to the town of Osnalruk 20 miles away where he attends the Paroleum Gymnasium (German High School). His class of 20 students remain in the same room while the teachers go from room to room. His family consists of three brothers and one sister all older than he is. His brother, Peter, (front left) was an AFS student for a year in Virginia. His other two brothers are living away from home. Sister, Dodie, next to foster father, Inglehart attends a high school in the same town of Osnalruk--a town of 7,500 population. His foster father is semi-retired having owned a large egg produce company. A large eight passenger sail boat occupies much of their leisure time. Fritz wants to return to study in Germany for his last college years. He feels that he has spent a most fulfilling school year in Germany.

Our American Field Service student this year was from Cochabamba, Bolivia. While attending school here she resided with the Lyle Page family at 1405 McClellan Street in Tama.

Yolanda kept busy during the year attending English, Speech, Algebra II and Art I classes. She found the students and teachers very warm and helpful.

Yolanda has a mother and one sister living in Bolivia. Her sister's name is Carmen Rosa.

Her home city of Cochabamba has a population of 110,000 persons. Cochabamba is located in a central valley of Bolivia. Yolanda attended a secondary school similar to our high school.

When asked about her year at STC Yolanda replied, "This year has been a very wonderful experience for me. I enjoyed being a part of this community and its activities. Many new and exciting experiences have found me this year, and I will carry them back to Bolivia to always be with me."

Hola, Yolanda

Steve and Loren on a happy day

Do they measure up, alas

THURBER CARNIVAL

A Thurber Carnival is a group of twelve short comedies in two acts by James Thurber. In this play, each person plays two or three different roles in several different situations.

"Portrait Of Jennie"

This is the story of an artist who meets a young girl and likes her so much that he wants to paint her portrait. The peculiar thing about this girl is that nobody can see her but Eben, the artist. Every time he sees her she seems to be older than the time before. He sells her portrait and is on his way to a bright future in art. He is a success, but now the girl, Jennie, is gone. He sees her only once more.

His friend, Gus shows him a newspaper article that tells of Jennie's death eight years before he met her.

Professor Harold Hill arrives in River City, Iowa and tries to sell the townspeople instruments, uniforms, and instruction books for their sons so that a Boys' Band could be formed. All goes well until another salesman (who knows Hill is a fake and a swindler) tells the people the truth about Hill. In the meanwhile, Hill has tried to keep the music teacher off balance, but the only result - he falls in love with her (and she had known the truth about him since shortly after he arrived). The townspeople are talking about tar and feathers, but all is saved when the band enters and Hill is forced to lead them. They play a sore (but sweet to the parents ears) version of "Minuet in G" and everyone is happy.

Others involved in the production were: C. Wiese, B. Dorezal, A. Apka, C. Walker, C. Carson, K. Juhl, L. Feisel, M. Bro, R. Harbach, C. Bennett, M. Lyon, J. Lyon, B. Steppworth, T. Bennett, P. Kasa, B. Ulterback, J. Stayer, D. Dubachek, M. Emerson, C. Walker, R. Olsen, M. Lyon

Harold Hill was played by Robert Olsen and the music teacher - librarian Marian Paroo was played by Susan Kupka.

On April 25, the Junior class of STC sponsored the prom with the theme, "A Time for Us" The medieval decorations were centered around the theme, were made possible through the help of Mrs. Potter and the Junior class.

Mrs. Kriegel assists the counselors by doing much of the paper work.

May We Help You?

"Reading maketh a full man; conference a ready man."

F. Bacon

Students need encouragement in the problems that confront them during their three years in South Tama Country High School. Mrs. Bild and Mr. O'Rourke joined the staff as guidance counselors this year. One of their most important duties has been to help seniors choose their vocations and further their education. They are someone to turn to when a student needs a listening ear.

Mr. Brennan, Mrs. Kriegel and the Library Staff are kept busy operating an efficient library. They are willing to help the student find the information he needs to enrich his education through reading.

Students;

Students of South Tama County High School, this is your Iliad for 1970. We hope you will recall memories of the days spent here as you turn the pages in this, your annual. It is you who have provided the material with your numerous activities, enthusiasm for work, and sociability. Special thanks to Mrs. Haan and those who devoted time and effort when each deadline was to be met.

As we salute the Soaring Seventies ahead, we hope that this year and this book, which will be a reminder of the past, will serve you to reach out and soar into the decade of the seventies and all those ahead.
